PROFILE

I am a student at full stack development bootcamp looking for opportunities as a junior/associate software developer. I am Focused, Tactful, Quick learner, Team player, Empathetic and Optimistic with a can do attitude. I am a registered nurse by education, but i recently discovered my love for coding to create products that provide real life value to people. I also enjoy the constant learning opportunities that i get while trying to solve problems and find optimum solutions.

WORK EXPERIENCE

- bootcamp training 10th jan 2022 present
- Nursing assistant 10 feb, 2020 present
- ICU department nurse 2019
